PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

Re: **DOCKET NO. 2009-141-T**

Thomas Roth as president of Atlantic Transfer Co. Inc. opposes the request of U-Haul Co. of South Carolina to conduct a deposition in support of their application. Interveners will not have the face to face opportunity to vet the witness and question them properly before the commission. This procedure would be highly prejudicial to the applicant and outside normal due process.

Respectfully submitted;

Thomas Roth

President
